About the Festival

Add to the splendor of an autumn weekend by attending Ohio's 8th largest festival now in our 39th year! At the "Living History Village" you can step back into time by experiencing the rumble of Civil War cannons while touring tents and teepees. There are also more food vendors than ever before offering tempting selections, along with rows and rows of craftsmen! In the "Downtown Area" there's plenty of family entertainment including: music, amusement rides, food and children activities!
